

This easy schedule will complete the entire Holy Bible in 52 weeks - 22 chapters per week for the first 7 weeks, and 23 chapters per week for the remaining 45 weeks. An approximate 30 minute time period in a quiet time of each day is the only investment that you need - a very small price to pay for the knowledge and peace of mind that you get in return. The days and weeks of the chart are numbered rather than dated, so a beginning can be made at any day of the year. Just go to Week 1 and do the row from left to right, from Day 1 to Day 7. Repeat the process down the list.

Enjoy the wonderful Word of God!
